- Tailgate Package
- Keyless entry touch pad on assist handle
- Available premium full-body paint upgrade
- MCD powered blackout roller shades
- Carefree[®] Paramount awnings
- Portable LP tank with gauge and LPG accessory connection (Patio area)

On the Cover: 42QL Frosty Halo with Available Premium Full-Body Paint

42QL After Hours with Glazed Java Cabinetry

The Epitome of Refinement

Introducing the Ellipse Ultra®: the ultimate luxury diesel-pusher for those who value elegance and integrity in everything. Its exquisite beauty begins with the Winnebago-exclusive Maxum Chassis® with lowered-rail construction, unequaled ride, performance, and storage capacity. Its proven 450-hp Cummins® turbo-charged diesel engine delivers all the power you need. You will enjoy all of the upscale amenities unique to the Ellipse Ultra from the Villa luxury six-way adjustable cab seats in Ultraleather™ with powered footrests, heat and massage, and power lumbar support to the polished porcelain tiles, a large skylight with powered shade, keyless entry, and six full-body paint packages. Multi-plex wall switches located throughout the all-electric coach allow you to control exterior and

interior lights, hydraulic jacks, MCD powered blackout shades, slideout rooms, and more, while the Carefree® Paramount awnings extend from the top of the RV to three easy positions: slideout, slideout and window, and full-patio extension. Unforgettable memories are guaranteed with additional features including LED lighting, an electric fireplace, and the exterior entertainment center featuring an HDTV with sound bar and subwoofer. You can entertain and enjoy the outdoors like never before with the Tailgate Package featuring a single-burner induction range top, steel counter, lockable refrigerator/freezer, storage area, and cold water access. The Ellipse Ultra is the ultimate choice for those seeking the epitome of quality construction and luxurious living.

Recognized Quality The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service, and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

Best in Class

See how Winnebago takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.®

Click on this icon throughout the brochure to link to more information on the web.

Maximize your living space with the **Extendable Sectional Sofa**. In a few short steps, you can extend the sofa to increase your seating capacity, or convert the sofa into a comfortable bed. A matching ottoman is included to kick back for movie nights.

Keep your valuables hidden in the **Safe** concealed behind the side-hinged HDTV. Also, included in this space are a wine rack and shelves for additional storage.

The **Entertainment Center** with an HDTV, fireplace, and storage provide warmth and entertainment for your friends and family.

Important gauges, switches, and controls are all centrally located in the **OnePlace® Systems Center**.

42QL After Hours with Glazed Java Cabinetry

Entertaining is a joy in this elegant lounge featuring an Ultraleather™ Extendable Sectional Sofa, ottoman, and recliner in the 42QL or a comfortable sofa with matching ottoman in the 42HL. Enjoy the quality comforts of TrueAir® maximum comfort air conditioning and MCD manual solar/powered blackout shades as you watch your favorite movie on the Blu-Ray™ Home Theater System by the comfort of a warm fire. The extendable dining table and chairs is the perfect place for your entertaining needs. The tabletop extends allowing you to add additional chairs to accommodate your guests. A large skylight with powered shade provides more light and creates an open feeling inside your coach while relaxing indoors.

42QL Bedroom

Adventurous days need restful nights. The powered King bed features the Ideal Rest® Natural Reserve digital comfort control mattress. It not only boasts natural bamboo, cotton fibers, and a reversible insert, but it can also be adjusted on either side to your ideal comfort setting for a great night's sleep. With convenient nightstands, his and her wardrobes, an HDTV, and plenty of available space, this bedroom has everything you desire after a fantastic day on the road.

Both models feature a comfortable mid-coach half bath with a porcelain toilet and Corian countertop, while the master bath features the BIG Shower, a washer/dryer, and a slideout linen cabinet.

42QL Wardrobe

42QL Master Bath with Washer/Dryer

Dash

Experience the open road as never before from the comfort of Villa luxury six-way adjustable cab seats featuring powered footrests, heat and massage, and power lumbar support. You'll feel like you're flying with the large Contour™ windows exposing beautiful landscapes and the incredibly smooth ride provided by the revolutionary Maxum Chassis®. You'll always know where to go with the Infotainment Center with Rand McNally RV GPS. Enjoy endless hours of entertainment with the standard SiriusXM™ satellite radio (subscription not included), delivering over 100 channels so there's never a dull moment on the go.

Ellipse Ultra Exterior

With elegance and integrity in everything, the Ellipse Ultra boasts the finest in sophistication and ingenuity. Choose between four unique full-body paint packages and two premium paint packages as well as an available 12" stainless steel valance panel for even more traveling style. A standard 90" x 54" sliding storage tray allows for easy access from both sides of the coach with plenty of room for all your additional gear, while the strategically color-coded service center makes hookups a breeze. Enjoy the good life outdoors as you relax with loved ones underneath the powered Carefree® Paramount awnings or enjoy the spectacle of the large HDTV with the exterior entertainment center. The Tailgate Package also serves up quality amenities such as a single-burner induction range top, steel counter, refrigerator/freezer, and cold water access.

Fiberglass Roof

The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Thermo-Panel® Sidewalls

By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable and lightweight sidewalls.

E-Coating An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

Solid Framework Aluminum extruded in our own facility to our exacting standards creates an extremely strong and solid structural framework.

Laser-Cut Tubing Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Interlocking Joints Specially engineered interlocking joints connect the floor, sidewalls and roof where competitors often rely on simple screws to bear the weight.

Steel Cab Structure Our innovative all-steel cab SuperStructure adds durability, strength, and safety.

SUPER STRUCTURE

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction standards. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

TESTING Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

**SUPER
STRUCTURE**
BUILT TO LAST

Visit BetterBuiltRVs.com to gain real insight into what goes into a Winnebago motorhome.

TAKE A TOUR We're proud of our processes, state-of-the-art facilities, and the people who make Winnebago number one. We invite you to visit our complex in Forest City, Iowa, for a firsthand look at the dedication and technology behind every motorhome we build.

Call 641-585-6936 or 1-800-643-4892 or visit us online at WinnebagoIInd.com/company/visit for more information.

3-point engine mounting reduces engine vibration.

Engine compression brake uses the engine to slow the coach, promoting longer brake life.

15,000-lb. trailer hitch⁶

Allison[®] 3000 MH 6-speed automatic transmission includes a touchpad control for ease of use.

MAXUM[®] CHASSIS

ZF IFS front suspension and NeWay[®] rear air suspension provide superior ride and handling.

The lowered-rail design moves intrusive rails from storage areas, creating up to 196 cubic feet of storage.

Up to a 60° wheel cut provides a tighter turning radius and better maneuvering.

Rear axle incorporates proprietary gear machining for a smoother, quieter ride.

Taller, pass-through storage height accommodates bulky items.

Extra space in critical areas allows for more pass-through storage.

“Clean Air Diesel” 450-hp ISL Cummins[®] engine delivers hill-climbing power when you need it most.

Rear radiator provides space for additional basement storage

Low frame rails create a lower center of gravity, improving stability.

Winnebago's SuperStructure integrated with the lowered-rail design creates a chassis that is seven times stronger than typical raised-rail chassis designs.

Dual-fill fuel tank.

Color-coded air lines make service easy.

Michelin[®] tires and polished aluminum wheels look sharp.

4-wheel ABS anti-lock air brakes provide fast stopping power.

A True Work of Art

You may not be able to see the Maxum Chassis as you're driving through the Rockies, but you'll know it's there. Its powerful Cummins turbo-charged diesel engine and Allison[®] transmission go to work so you don't have to sweat the peaks and valleys ahead.

Through a strong partnership with Freightliner, the undisputed leader in diesel motorhome

chassis, we set a new standard for handling, ride and performance in diesel chassis design.

But performance doesn't mean sacrificing storage. The innovative lowered-rail design of the Maxum Chassis opens up a cavernous basement storage compartment, offering up to 196 cubic feet of storage.

NEW 42HL

This quad-slide floorplan pulls out all the stops with its Glide & Dine dining table/buffet with an expansive window view, powered skylight in the front lounge, mid-coach galley with stationary island, and a spacious bedroom with his and hers wardrobes and a powered king bed.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at WinnebagoInd.com.

NEW 42QL

This spacious floorplan with its full-wall slideout features an Extendable Sectional Sofa, electric fireplace, gourmet galley with a pull-out island, and a luxurious bedroom complete with his and her wardrobes and a powered king bed.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at WinnebagoInd.com.

12-month/15,000-mile basic limited warranty⁸
36-month/36,000-mile limited warranty on structure⁸
10-year limited parts-and-labor warranty on roof skin⁸

FOOTNOTES

- 1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- 2 Floorplans feature a wide-body design - over 96." In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- 3 The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- 4 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- 5 Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- 6 Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- 7 See separate chassis warranty.
- 8 See your dealer for complete warranty information.

Winnebago's continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
