Adventure Seekers: Welcome Home

“Brilliant!” “Best value.” “Excited for the future!”—that’s just a sample of the praise heaped on last year’s re-designed Winnebago Travato.™ We’re excited to say, the future is now. The adventurous spirit of the Travato carries forward to the all-new 59K with a re-designed open floorplan featuring a space-saving bath area and the deluxe Froli® sleep system.

Optional bike and kayak racks help you enjoy a rugged day outdoors, while amenities such as Ultraleather™ furniture (59G), Corian® countertops, and an exterior sound system help you relax in comfort when the sun goes down. The Travato doesn’t just enable your adventurous lifestyle, it enhances it. Brilliant, indeed.

Recognized Quality

The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service and support. Winnebago Industries is proud to be the only manufacturer that has received this award every year since its inception.

Our SmartSpace™ design philosophy is critical to making the most of your van-style floorplan. Nowhere is that more evident than the Flex Bed System in the 59G that quickly converts from two bench seats and a dining table into a large sleeping area. Choose the 59K and enjoy twin beds that double as facing sofas by day. For movies and more, the standard HDTV/coach stereo system includes AM/FM radio, CD/DVD player, and Bluetooth™ connectivity.
