Class A: The Ultimate Patio Set-Up

Thor Motor Coach features the Zero-G® ramp door and patio rail kit on Outlaw Class A floor plans, allowing you to raise and lower your ramp door with a finger's touch. It feels virtually weightless and features a clean exterior look with automotive style latches. Setting up the patio has never been easier as the patio kit opens up, slides out and then snaps into place. There's no more lifting the patio rails or using assembling pins.

Zero-G® Ramp Door

- No more hinges or extra hardware.
- Zero-gravity resistance! Easily raise and lower the door with just one finger.
- Automotive style latching.

Snap-In Patio System

- Set up your patio deck in seconds with the unique sliding design. It's a snap!
- Residential strength, quality and design.

3TRAX™ is our in-wall slideout system, housing all the moving and mechanical parts within the sidewall of the motorhome. This triple track design supports large rooms, like those found in full-wall slideouts, ensuring simple, reliable, maintenance-free operation. What sets 3TRAX™ apart is the patented rail system, in-floor roller guides and electric motor design. For more information, visit thormotorcoach.com/3TRAX.

IMPORTANT—PLEASE READ: This brochure reflects product design, fabrication, material, components and specifications at the date of printing, which date is disclosed below. **Please visit us online at ThorMotorCoach.com or consult with your selling dealership for the latest in standards, options, specification and technical information.** Photographs in the brochure may depict optional equipment or may only be available in certain floor plans. Components, appliances and the chassis may have been manufactured in a calendar year before the vehicle's designated model year. All capacities are approximate. The actual length of the vehicle may differ from that indicated in the brochure due to variances in the manufacturing processes and/or installed components. All dry weights are based on standard model features and do not include optional features or equipment. Component part and appliance manufacturers issue limited warranties covering portions of the vehicle not covered under the limited warranty we issue. Copyright Thor Motor Coach, Inc. © OH 10/01/16
