Today, our customer-driven innovations continue to redefine the diesel segment. In fact, breakthroughs like an available two-full-bath floor plan, class-exclusive Feature Ceiling and the ultra-durable STAR Foundation can all be found on the 2017 Ventana LE – the industry's best diesel-powered value.

## THIS IS *the life*

While any coach can give you a place to stay, Ventana LE provides you and yours with a home away from home. An available King Bed is capped by a luxurious two-tone padded headboard, with in-room entertainment coming courtesy of a Vizio® LED TV with DVD player. The master bath can now be had with a 40"x32" residential shower, while select floor plans feature a mid-cabin half bath.

## BUILT TO TAKE YOU *further*

A Freightliner® chassis with V-Ride™ rear suspension and Comfort Drive™? Check. Hill-crushing power from a Cummins® diesel engine? Check. But that's not all. Every Ventana LE gives you power side and entrance door awnings, offers extras like an exterior entertainment center and hammock kit, and receives support from our latest steel superstructure, the STAR Foundation.
