

ERA

WINNEBAGO

On the Cover: 70B Graphite Gray Metallic Full-Body Paint

Interior: 70B Quantum with High-Gloss Onyx Woodgrain Cabinetry

The Sprinter-based Camper Van that keeps getting better

The first motorhome in its class built on the Mercedes-Benz® Sprinter chassis, the Winnebago Era® launched a whole new “era” of upscale touring. With an available 4WD option and other enhancements, the Era continues to raise the bar. The four Era floorplans offer a variety of seating, sleeping, bathing, and cooking options, accented by premium contemporary interior styling, sumptuous Ultraleather™ furnishings, and

dimnable LED lighting. Full galleys feature stainless steel appliances and a compressor-powered refrigerator for optimal cooling performance. Outside, a powered patio awning, LED lighting, and exterior speakers make it easy to relax, while the expandable solar power system helps keep the power flowing, even when you’re off the grid. Tour in style and camp in luxury: see the world in your Winnebago Era.

FEATURED WINNEBAGO TRAVELERS

When **James and Stef Adinaro** first took up RVing in 2010, their initial goal was to enjoy a more comfortable base camp at bicycle races and other events they attended.

Not only did they fall in love with the RV lifestyle, they've made careers out of it. On a mission to raise awareness among RVers about the importance of exercise and healthy eating, the Adinaros launched their website, **TheFitRV.com** in 2013.

Learn more about their travels on **WinnebagoLife.com**, where you'll find hundreds of other great stories, reviews, how-to articles, videos, and much more from GoLife's outstanding team of contributors.

To learn more about the Adinaro's adventures, visit: WinnebagoLife.com/about
