The 2018 Phaeton features these Tiffin innovations:

A game-changer in RV design, these slide-outs are built as seamless fiberglass units, offering superior protection from the elements. Virtually undetectable when closed. Available only on the 40 AH and the 44 OH.

This Tiffin coach will surpass a competitor's model of equivalent size in the quantity and quality of storage.

The Tiffin Five-Star Warranty. The best in the business, bar none.

At Tiffin Motorhomes, we build for quality first and foremost, limiting our production to just 12 coaches a day to ensure meticulous craftsmanship. It may not be the most business-savvy way to run a company but it is the best way. By investing the time and effort to do things right, we want you, as a Tiffin owner, to have the utmost confidence in your coach, as well as a peace of mind you won't find with other manufacturers. You see, not only do we stand proudly behind our product, we stand behind you as well.
