UNIQUE STYLING IN A MULTI-USE TOURING VEHICLE.

PRISM ELITE EXTERIOR FEATURES

PRISM ELITE

Top Features

- 1 The Mercedes Sprinter chassis is easy on fuel and on the eyes. It also delivers the great ride and drivability Mercedes is famous for.
- 2 Molded Fiberglass Cabover Bunk with LED lights allows sleek aerodynamic appearance along with added utility.
- 3 Integrated Curved wing walls reduce wind resistance and add polished automotive styling.
- 4 One Touch "Armless" power awning is effortless, efficient and durable. Equipped with an LED light strip to safely enjoy the outdoors.
- 5 Beneath the stars or the full length awning, enjoy your favorite movies and/or music and fresh air at the same time with the outside entertainment system.
- 6 Exterior lighted grab handle makes locating the entry easier and safer at night.
- 7 Exterior Storage compartments upgraded with heavy duty, pre-fabricated, hinged luggage doors equipped with easy access slam latches.
- 8 The aluminum electric entry step, low center of gravity construction and a lit grab bar make entry and exit easier than ever!
- 9 Prepare meals while enjoying the family at the same time using the exterior camp table. (Optional)
- 10 Sleep comfortably with the added privacy, increased safety and efficient climate control benefits of the exterior windshield cover.
- 11 Control your Prism Elite right inside the door with the convenience of the touch of a finger on the lighted touch panel and via bluetooth application.

Not Pictured: 20-gallon (85 lbs.) LP tank is larger than the competition.

PRISM MOTORHOMES

Whether exploring on a weekend getaway or traveling across the country, Prism gets you there in style. It's the perfect marriage between experience, dependability and value from the Industry's premier maker with the economy and prestige of the Mercedes diesel chassis. The Prism is a luxurious, easy to drive, multi-use touring vehicle that provides unique styling and amenities. From the interior's thoughtfully designed floorplans, residential cabinetry, designer flooring and versatile interior storage to the multiple access doors for exterior storage space, LED running lights, tinted windows and stylish fiberglass wrap, the Prism is ideal for short or long trips. As one of the top selling brands in the nation, Coachmen has been providing generations a product they have relied on for over 50 years.

PRISM Top Features

- 1 The Mercedes Sprinter chassis is easy on fuel and on the eyes. It also delivers the great ride and drivability Mercedes is famous for.
- 2 A power entry step automatically deploys and retracts when opening or closing the door allowing for easy entry and exit.
- 3 The One Touch full-length power awning is easy to open and close and comes with adjustable arms for more shade or rain water run off.
- 4 Slide room awnings protect your slides from the elements and keep them free of debris.
- 5 3.6 KW Onan LP generator provides full power for tailgating or while dry camping.
- 6 Watch your favorite movies while still enjoying the fresh air with the outside entertainment system. (Optional)
- 7 The "warehouse" exterior storage provides you with industry-leading exterior space that is great for both long and short term stays.
- 8 Sleep safely and peacefully with the exterior privacy windshield cover. (Optional)
- 9 Superior fresh water capacity – on average 20% more than the competition.

Not Pictured: 20-gallon (85 lbs.) LP tank is larger than the competition.

With the Prism series, you get all the standard features that Coachmen has built a reputation for at an unbeatable value. Equipped with the amenities experienced travelers expect, the Prism affords you the opportunity to explore any adventure with comfort and convenience.

Travel Easy™ Roadside Assistance

RVing is easier with Coachmen's Travel Easy™ Roadside Assistance provided FREE the first year of ownership to those who purchase a New Coachmen RV. Administered by Coach-Net, this service provides you with 24/7 operational, technical and emergency road service coverage. Also included is towing, fuel delivery, jump starts, lockout service, tire changes, mobile mechanic and unlimited technical assistance. Anywhere. Anytime. Travel Easy™ is the security of knowing that help is an easy phone call away.

Free One Year Membership – Coachmen Owners' Association

Coachmen is proud to sponsor the largest manufacturer sponsored camping club in North America ... Coachmen Owners' Association (COA). COA provides a broad breadth of value propositions for our owners including: planned trips/ tours and rallies at bulk rate discounts, free trip routing, free campground directory, free Easy RVing magazine, theme park discounts, fuel discounts, mail forwarding, a dedicated COA web site, local and state club activities and Caravan Chapter membership opportunities. Most importantly, COA enhances the Coachmen ownership and RV lifestyle experience.

Every new Coachmen RV buyer is eligible for a 1 Year FREE membership in the Coachmen Owners' Association. It all adds up to an easy ownership experience!

GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, occupants, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GCWR (Gross Combined Weight Rating) is the maximum permissible loaded weight of your motor home and any towed trailer or towed vehicle. Actual GCWR of this vehicle may be limited by the sum of the GVWR and the installed hitch receiver maximum capacity rating; see hitch rating label for detail.

GAWR (Gross Axle Weight Rating) is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by each axle.

UVW (Unloaded Vehicle Weight) * is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s), including full fuel, all fluids and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity) ** is the amount of weight available for fresh potable water, cargo, passengers, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

** Estimated average based on standard build optional equipment
Each Coachmen motorhome is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Coachmen motorhome prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

Coachmen Owner "Digital Kit" App

Now you can have your Owner's Manual with you wherever you are. Download our FREE App from the App Store or Google Play and you'll have the information right at your fingertips.
