FEATURED WINNEBAGO TRAVELERS

Heath and Alyssa Padgett answered the call of the open road four days after their wedding in 2014. They have never looked back. Their first film, *Hourly America*, documented Heath's quest to work an hourly job in all 50 states in one year. In 2016, the Padgetts upgraded their RV to a Winnebago Brave[®], continued growing their freelance business, and expanded their vision to help others who wanted to live and work full-time on the road.

You can follow their journey at *WinnebagoLife.com*. You'll also find hundreds of other great stories from GoLife's outstanding contributors, along with how-to articles, gear reviews, RVing tips, and much more.
