

ADVENTURER

WINNEBAGO

On the Cover: 36Z Dark Cayenne Full-Body Paint
Interior: 36Z Inspire with Coffee-Glazed Vienna Maple Cabinetry

Class A Gas Doesn't Get Any Better Than This

The Winnebago Adventurer® is back, packed with user-friendly features and more value than ever before. The Adventurer's five family-friendly floorplans offer plenty of living space and ample storage, whether you're planning a weekend getaway or the adventure of a lifetime. The gas-powered Adventurer is loaded with features and amenities typically reserved for diesel

pushers including full-body paint with chrome mirrors, Corian® countertops in the galley, Primera®-covered furnishings, Versa driver's seat, MCD solar/blackout roller shades, and much more. If you prefer a gas coach but want diesel-level amenities at a terrific value, the new Adventurer is built for you!

This brochure features the
Adventurer 36Z floorplan

Inspire with Coffee-Glazed Vienna Maple Cabinetry

The Adventurer's lounge offers plenty of comfortable seating, thanks in part to the swiveling Primera cab seats, while the dinette or dining table and chairs (Glide & Dine, 33C) provide an ideal gathering place for eating, games or hobbies. Efficient LED lighting and the electric fireplace (35F, 36Z) provide the perfect ambiance for taking in a movie on the satellite-ready HDTV, while tinted dual-pane windows keep the elements at bay.

Cab Seats with Removable Pedestal Table

BenchMark Dinette Storage

MCD Solar/Blackout Shades

Corian countertops with a decorative backsplash and sink covers welcome you to the Adventurer's upscale galley. Cooking duties are handled by the standard three-burner range top and microwave oven (or available microwave convection oven) or opt for the three-burner range with oven below. The double-bowl stainless sink offers plenty of room for prep and cleanup, while the standard water filtration system provides clean water for cooking and drinking.

Wardrobe

Master Bathroom

A walkaround queen bed (available king in 33C and 36Z), plenty of storage, and an optional HDTV make the Adventurer's master bedroom the perfect retreat when the day is done. Dinettes and sofas convert to provide additional sleeping space, while the available powered StudioLoft™ bed further bolsters capacity. Every Adventurer bath features a porcelain toilet, linen or medicine cabinet for storage, a textured glass shower door, towel bars and/or rings, a skylight, and a powered vent fan.

Bedroom HDTV

The Adventurer Versa driver's seat with 6-way power assist lets you take command in total comfort. The Primera cab seats include two-position armrests, lumbar support, and multi-adjustable slide/recline functions; they also swivel to serve as lounge seats in camp. A dash workstation with USB and 12-volt power lets the co-pilot work or relax en route. The 10" color touch screen rearview/sideview monitor system keeps you both informed and entertained with it's Bluetooth® and SiriusXM® capabilities.

Powered Patio Awning with LED Lighting

Once you've arrived, unload the toys from the lighted storage compartments, deploy the powered patio awning with LED lighting, and secure Fido to the pet leash tie-down. Fire up the exterior entertainment center, and congratulate yourself on your excellent taste as you bask in the reflected glow of your Adventurer's full-body paint and chrome mirrors.

Kenny and Sabrina Phillips

Several years ago, it seemed like the only time Kenny and Sabrina really had together was on vacation. So Sabrina, a pulmonary/critical care physician who travels to different locations for work, and Kenny, a small business owner, decided to downsize and simplify.

Kenny sold his business and they became full-time RVers in their Winnebago Vista® LX.

As they put it, "We have laughed, loved, and experienced more in the last 12 months living in our Winnebago than we have in the last nine years."

You can learn more about Sabrina and Kenny at WinnebagoLife.com. You'll also find hundreds of other great stories from GoLife's outstanding contributors along with how-to articles, gear reviews, RVing tips, and much more.

Water system filtration package

Safety

Child seat tether anchor in forward-facing dinette seat (27N, 35F, 36Z)
LP, smoke, and carbon monoxide detectors
10 BC fire extinguisher
Ground fault interrupter
High-mount brake lamp

Warranty⁷

12-month/15,000-mile basic limited warranty⁸
36-month/36,000-mile limited warranty on structure⁸
10-year limited parts-and-labor warranty on roof skin⁸

FOOTNOTES

- The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- Floorplans feature a wide-body design - over 96". In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and CCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- See separate chassis warranty.
- See your dealer for complete warranty information.
