

The Class C coach
in a class by itself

The Winnebago Vita™ combines Winnebago's legendary build quality with best-in-class features, a spacious interior and plenty of useful storage: the result is a compact and easy-driving package that's perfect for solo travelers, couples or families. Designed specifically for the Mercedes-Benz® Sprinter chassis, the Vita's two all-new floorplans boast the largest galley, the

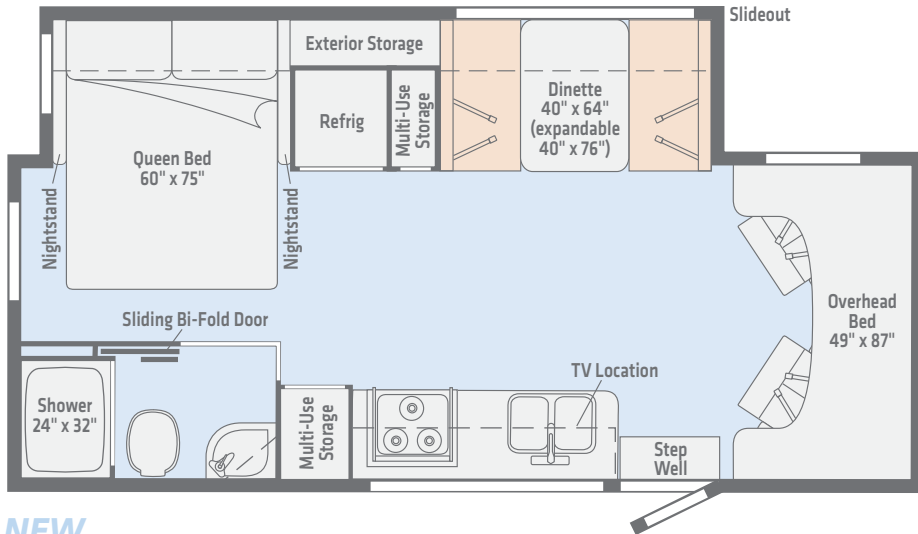

largest bed – even the largest holding tanks in the class. And with standard features like the strong, lightweight and quiet SuperShell™ Sleeper Deck, 200-watt solar energy system, roof-port wiring access, panoramic galley window and exclusive customizable storage cabinets, it's clear the Vita is more than best in class – it's simply in a class all its own.

Seating Capacity	4	4

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.

2. The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.

3. Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

4. Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.

5. Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

Not all items available in combination. See dealer for details.

Winnebago's® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
