

2021 New Aire Luxury Motor Coach

Ease into Luxury

One of the best parts of a trip is taking it slow, and there's no easier way to relax than in the 2021 New Air. That starts with an easy drive, thanks to electronic stability control, Comfort Drive™ adaptive steering, and an independent front suspension. OnGuard™ collision mitigation with adaptive cruise control and tire pressure monitoring offer more peace of mind. Four new graphics packages on the exterior in a full-paint Masterpiece™ finish look like you're moving when you're sitting perfectly still.

Opus full-paint Masterpiece™ finish

Turn Any Outing into a Gathering 2021 New Aire

Improvements and options start at the ground up for the New Aire. In 2021, 35' models are available on a Freightliner® chassis, or now optionally on a Spartan® chassis—both featuring a 450-horsepower Cummins® diesel engine. The 33' models are built on a Freightliner® chassis with a 360-horsepower diesel engine. Five floor plans give you plenty of choices in your New Aire and make it easy to host, entertain, or just kick back and relax.

Make Going Even Easier

The cockpit of the 2021 New Aire is designed for easygoing travelers. Dual 9" HD monitors in conjunction with side- and rear-view cameras give you a clear view behind and around you, while both the captain and passenger chairs are six-way power-adjustable and heated. A new series of JBL speakers offers crisp, clean audio for podcasts and audiobooks to get you through the trip, and two wireless charging mats keep your battery full. A standard WiFiRanger SkyPro pack keeps you connected regardless of where you roam.

*Floor plan 3543 with Opus
décor and Sable Glazed
Maple high gloss cabinetry*

Expansive Luxury

The New Aire is made for living, and the living area is spacious. Captain's chairs, sofa, and ottomans are all covered in Ultraleather® for the utmost comfort. A retractable 50" Samsung® TV with Blu-ray player and Bose® soundbar fill your space with entertainment. Certain floor plans feature grand windows to allow in natural light and full views of your surroundings. Want to really cozy up? Select the optional fireplace, tucked into a dry bar cabinet.

Cook Out Anywhere

Perfect for making dinner for a crowd or just a quick bite while you take in a book, the kitchen of the New Aire is perfectly equipped. Starting with the all-electric stainless steel appliance suite, you'll find a portable induction cooktop, three-door Whirlpool® residential refrigerator, and convection microwave—and option for a dishwasher. LED lighting illuminates the beautiful backsplash, and some floor plans feature a large kitchen window to let in natural light. The Euro booth dinette is the perfect place to enjoy your meals—and offers storage space below each seat.

A Room Full of R&R

In the master bedroom, you'll find everything you need for a relaxing night's sleep. Starting with the standard king-size mattress on 35' models—with an available upgrade to a Sleep Number® adjustable mattress—and a quilted bedspread, comfort is in no shortage. An additional Samsung® 4K TV and Blu-ray player sit opposite the bed to help lull you to sleep, and a rear-wall wardrobe offers storage for your clothes, and can feature an optional washer and dryer.

Dive into Indulgence

In every New Aire, you'll find a mid-ship master bathroom that grants you all the serenity you could hope for. A roomy shower with tile walls, fold-down seat and built-in soap dispensers all await you. The vanity features a glass mosaic backsplash and super-polished countertops. And on top of that, a digital control panel lets you control lighting, shades, and even more.

A Coach for the Books

The outdoors is even greater in the New Aire. The dual Girard® side awnings, with an optional outdoor entertainment center with a Samsung® TV and soundbar, are perfect for lounging in the late afternoon sun. Keep drinks and snacks cool with a pull-out Dometic® freezer. For carrying all of your favorite camping gear, the exterior storage compartments are brightly lit and packed with protective cargo liners. A powerful 8.0 kW Cummins Onan® Quiet Series diesel generator comes standard to keep things running.

The content in our literature depicts and describes products that are subject to change. For the most recent images and information, please visit [NewmarCorp.com](https://www.newmarcorp.com).

Lengths, heights, widths and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil and coolants. Does not include cargo, fresh water, propane gas or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

Specifications supplied by the chassis manufacturer.

The Newmar Customer Experience

The Newmar difference goes beyond our industry-leading motor coaches to provide you with an unrivaled ownership experience.

QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

CAREFULLY SELECTED DEALERS

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

FRIENDS FOR LIFE

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform.

Ask your Newmar dealer for more details.

Our Partners

Newmar Quality Begins with the Company We Keep

You deserve class-leading performance from names you can trust. That's why we only work with suppliers dedicated to providing our customers with unrivaled quality, comfort, and support.

Driven By You

FREIGHTLINER CUSTOM CHASSIS

Freightliner Custom Chassis Corp. (FCCC) is renowned for delivering the industry's best ownership experience through exceptional 24/7 factory-direct support, exceptional ride and handling, and developing high-performance innovations such as DRIVETECH. It's the only RV driving system that prioritizes safety and automotive luxury by putting every command at your fingertips.

SPARTAN RV CHASSIS

Designs, engineers, and assembles by hand each Spartan chassis for the best ride and handling in the industry. Spartan's leading safety ratings and ongoing investment in R&D give Spartan chassis owners superior performance and higher coach resale values. Spartan is American owned and has earned the trust of discerning RV owners based on its premium products and award-winning customer service.

We create chemistry

BASF

A world full of colors! The Coatings Division of BASF develops, produces and markets a high-quality range of innovative and sustainable automotive OEM coatings and automotive refinishes.

INDUSTRIAL FINISHES

Industrial Finishes has supported RV manufacturers for over four decades. The Industrial Finishes paint process delivers uncompromising quality, providing your coach with a true "Masterpiece" finish.

RIVERPARK

RiverPark proudly represents the leading brands in consumer electronics—brands you know and trust to provide exceptional quality and innovative technology. Newmar features Samsung's incredible 4K TVs with Bose soundbars, Xite Infotainment systems featuring Rand McNally Navigation and JBL and Infinity premium audio. Step into a 2021 Newmar and experience dazzling audio and video performance throughout!

Our People Take It Personally

Since Newmar was founded in 1968, our goal has been to build a better RV.

We have always believed that traveling shouldn't mean leaving behind the comforts you enjoy, so our coaches are crafted to be residential-quality homes—complete with handmade cabinetry and designer décors.

Every Newmar is built by hand, one at a time, by men and women who have dedicated years to creating superior-quality coaches that surpass their mass-produced competition.

We don't want to simply ask you to trust us when we talk about the Newmar difference. We want to prove it, every single time you hit the road. Because we take pride in the responsibility of designing, engineering, and constructing your motorhome.

And we know you'll be proud driving one on the way to your next destination.

When You Know the Difference.
