Super Star

On the Go

When we introduced it, the Super Star skyrocketed the standards of the Super Class C segment. We've continued to improve it since, and it's even better for 2022. Already including the full air-ride cab—our exclusive innovation—the Super Star offers a smooth ride to help get you wherever you're going. A large sky window with a power shade lets in just the right amount of natural light. What's more, a full-wall slide-out and Newmar-exclusive step-free aisleway means you'll find way more space than you would expect in a Class C.

Gotham full-paint Masterpiece Finish™

Extend Your Stay

The 2022 Super Star is built on a Freightliner® M-2 106 chassis, and is powered by a Cummins® “L” diesel engine. That supplies 360 HP this year and 1,150 lbs./ft. of torque for easy towing capacity—especially with the 20K rear towing hitch. For smooth driving, the Super Star also has cruise control, and remote-controlled exterior mirrors with defrost. And like every Newmar coach, it has the industry-exclusive full-paint Masterpiece Finish™ on the exterior.

Find Your Space

The Super Star comes in four floor plan options and offers a variety of furniture layouts to let you easily make the coach yours. For example, enjoy a Villa Comfort Fit hide-a-bed sofa with a dinette, or a pair of recliners and a buffet dinette, or two ottomans. Whatever you pick, you're sure to enjoy the wealth of entertainment features, like the Samsung® 50" LED 4K TV and a Bose® soundbar. Stream your favorite shows with an optional Wi-Fi solution, and stay comfortable inside with two Penguin™ heat pump air conditioners with wall-mounted sensors.

Floor plan 4059 with Gotham décor
and Bermuda Glazed Maple cabinetry

Perfect Getaway

In the cockpit, you'll find air-ride captain's chairs with pneumatic lumbar support. A power shade over the skylight lets you control just how much light filters into your space. As you drive, a Nav-N-Go navigation system is displayed on a large monitor with turn-by-turn directions. The Nav-N-Go system takes your coach's dimensions into account while calculating routes to find the one that's optimal for you. Side-view cameras come standard, while JBL speakers offer crystal clear sound for your driving music.

Good Eats

It's easy to enjoy a home-cooked meal in the Super Star. Appointments to please any avid home cook are well-stocked, including a stainless steel Whirlpool® refrigerator, a flush mount induction cooktop, and a stainless steel convection microwave are all standard. You can upgrade your kitchen to include a dishwasher.

Around the rest of the kitchen, the solid-surface countertops are polished for a beautiful shine and sit in front of a hand-laid tile backsplash. Custom hardwood cabinets include soft-close drawers, and the pantry offers pull-out shelves.

Lights Out

Whether your day is filled with activity or loaded with relaxation, the bedroom of the Super Star is made for serious R and R. Take the king-size plush pillow top mattress—which you can upgrade to a Sleep Number® adjustable mattress—for example. You'll also bring all of the comforts of home along with you, with a six-drawer dresser and rear-wall hanging wardrobe. You can charge your devices with USB chargers at each nightstand. Or, if you prefer TV, there's the 43" Samsung® 4K LED TV across from the bed.

Enjoy Some Solitude

Inside the bathroom of the Super Star, you'll find a spacious shower with gorgeous Sentrel walls, a glass door, and an Aqua Miser® shower system to keep the hot water coming. An optional fold-down shower seat is also available. For space, there are medicine cabinets and a linen closet. And there's no need to skip laundry day with an optional Splendide® stacked washer and dryer. On top of all this, you can keep the inside of your coach particularly clean thanks to a standard exterior shower system.

What a View

The great outdoors is meant to be enjoyed, and the 2022 Super Star makes it easy. A Girard® G2000 integrated side awning comes standard, with an optional Carefree window awning package including either three or four window awnings. At the entry door there's a keyless entry touch pad with a doorbell for more peace of mind, and an automatic hydraulic triple entrance step lowers to make getting in easy. Beneath the coach, you'll find our segment-first pass-through basement storage. Plus an 8.0 kW Cummins Onan® diesel generator to power it all.

Lengths, heights, widths, and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motor coach as built at the factory with full fuel, engine oil, and coolants. Does not include cargo, fresh water, propane gas, or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motor coach.

Specifications supplied by the chassis manufacturer.

The Newmar Customer Experience

The Newmar difference goes beyond our industry-leading motor coaches to provide you with an unrivaled ownership experience.

QUALITY FROM THE START

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. And each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

FRIENDS FOR LIFE

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

CAREFULLY SELECTED DEALERS

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

SEAMLESS SERVICE

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Available 24/7, our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

EVERYTHING IN ONE PLACE

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

ROCK-SOLID PROTECTION

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform. Ask your Newmar dealer for more details.

Our Partners

Newmar Quality Begins with the Company We Keep

You deserve class-leading performance from names you can trust. That's why we only work with suppliers dedicated to providing our customers with unrivaled quality, comfort, and support.

BASF

We create chemistry

The Coatings division of BASF is a global expert in the development and production of innovative and sustainable OEM and refinish coatings that deliver solutions beyond your imagination.

INDUSTRIAL FINISHES

Industrial Finishes has supported RV manufacturers for over four decades. The Industrial Finishes paint process delivers uncompromising quality, providing your coach with a true "Masterpiece" finish.

Driven By You

FREIGHTLINER CUSTOM CHASSIS

Freightliner Custom Chassis Corp. (FCCC) is renowned for delivering the industry's best ownership experience through exceptional 24/7 factory-direct support, exceptional ride and handling, and developing high-performance innovations such as DRIVETECH. It's the only RV driving system that prioritizes safety and automotive luxury by putting every command at your fingertips.

RIVERPARK

At RiverPark, we proudly represent the leading brands in consumer electronics—brands you know and trust to provide exceptional quality and innovative technology. Newmar features Samsung's incredible 4K TVs, Xite Infotainment systems featuring Rand McNally Navigation, Bose soundbars, and JBL and Infinity premium audio. Step into a 2022 Newmar and experience dazzling audio and video performance throughout the coach.

SPARTAN MOTORS

Spartan Motors is an American company with over 30 years of experience designing and manufacturing the premier motorhome chassis, which provides superior performance, exceptional safety ratings, and industry-leading technology.

When You Know the Difference.
