# BUILT FOR THE LONG HAUL: THE WINNEBAGO WAY

No one knows RVing like Winnebago®. Here's why smart RVers have chosen Winnebago for more than 60 years.

## REAL-WORLD SOLUTIONS

Winnebago has pioneered hundreds of innovations to improve the RV experience. Our FlexBed™ System offers multiple sleeping options. Our BenchMark® Dinette with Hi-Lo table adjusts to desired height and includes tabletop storage. The TrueLevel™ monitoring system takes the guesswork out of holding tank readings.

Exclusive innovations like those maximize storage and living space, enhance quality, and provide flexibility so you can configure and use your RV the way you want to.

## SMARTSPACE DESIGN

Our SmartSpace™ design approach makes the most efficient use of the space in each coach. This has led to the creation of features such as the BenchMark® full-comfort dinette, with hidden storage compartments below its flip-up seats; full-extension drawer slides; and our extendable sectional sofa.

# SUPER STRUCTURE<sup>®</sup>

## WINNEBAGO'S QUALITY CONSTRUCTION

Exclusive steel SuperStructure surrounds the cab with a strong, durable support system delivering industry-leading safety and security.

**1 Thermo-Panel Sidewalls** Layers of fiberglass and high-density block foam insulation with welded aluminum support structures to create strong, durable, and lightweight sidewalls.

**2 Solid Framework** Structural extruded aluminum creates an extremely strong, solid frame.

**3 Embedded Steel** Metal substructures are embedded into the sidewall to provide solid attachment points to keep cabinets and appliances mounted securely in place.

**4 Interlocking Joints** Connects the floor, sidewalls, and roof to evenly distribute the weight of the roof along the entire span of the walls.

**5 E-Coat** An electrodeposition coating helps protect critical steel components from corrosion, inside and out.

**6 Laser-Cut Tubing** Our precision laser cutters create precise joints in structural steel that are stronger and require less welding.

- **Structural Warranty** 3 yr./36,000 miles
- **Roof Warranty** 10 yr. parts and labor
- **Roadside Assistance** 1 yr. complimentary
- **Safety Features** child seat tether anchors, LP, Smoke and carbon-monoxide detectors

**FEATURED WINNEBAGO TRAVELERS**

**Nic and Jess Farish**

Full-timers Nic and Jess Farish live and travel with young sons Bailey and Brady in their Winnebago Intent. Prolific writers, photographers and filmmakers, they are active on social media and host their own YouTube channel, among other activities.

"RVing was something we thought would happen in retirement," Nic said. "As our boys got older, we found ourselves telling them they could be and do anything when they grew up. And one day, we realized that we were not doing what we wanted to do."

So they did their research, found their perfect RV, and off they went!
