

## QUALITY

Winnebago RVs are designed and built around you, with superior craftsmanship, advanced manufacturing technologies and steel-focused construction to enhance safety and reliability.

## INNOVATION

From groundbreaking RVs to game-changing features to the spacious floorplans made possible by our SmartSpace™ design, our heritage is unrivaled for continuous industry firsts in vehicle technology and design.

## SERVICE

Our carefully chosen dealers are supported by factory training and our advanced parts supply system, while owners benefit from excellent real-world customer support as well as 24/7 access to online technical information.

EKO

## Up for whatever, whenever, wherever.

Whether your next adventure is a weekend getaway or an epic cross-country trek, the EKKO™ is built to take you there — along with your gear and up to three passengers — and keep you comfortable once you arrive.

- » AWD to take you anywhere
- » Off-grid capabilities for longer stays
- » Fully equipped for extended-season use
- » Seats and sleeps up to 4
- » Hauls plenty of outdoor gear

**WINNEBAGO**

# Ready to roll

The all-wheel-drive EKKO comes fully equipped with a full suite of safety and convenience features, plus innovative solutions for storage, sleeping and cooking.

**1 AWD FORD® TRANSIT CHASSIS WITH 3.5L ECOBOOST® V6**  
with 10-speed automatic transmission, 4-wheel anti-lock disc brakes, tow hitch and more

**2 OPTIONAL POP-TOP**  
with FROLI® sleep system adds panoramic views and comfortable sleeping for two

**3 PASS-THROUGH HEATED GEAR GARAGE**  
with L-track cargo tie-down system, Modular Lightweight Load-carrying Equipment (MOLLE) panel, 12V/110V charging ports and removable floor liner

**4 STANDARD SOLAR PANELS**  
three panels (up to 455 watts) or 1 panel (up to 220 watts) with pop-top

**5 OPTIONAL OUTDOOR KITCHEN**  
with chest-style refrigerator/freezer, 2-burner cooktop, flip-up counter, quick-connect faucet, collapsible sink, and quick-connect LP hose (NA with pop-top)

**6 POWERED PATIO AWNING & AVAILABLE BATWING AWNING**  
Three-sided coverage lets you kick back in the shade, cook outdoors or load your gear in the rain, or just take in the mood lighting on a cool night

**7 ALL-WEATHER PREPPED**  
extensive insulation, dual pane acrylic windows and multiple heated exterior compartments keeps you (and your gear) warmer when it's cold, and cooler when it's hot\*

\*Disclaimer: Winnebago recommends following the winter use guidelines and winterization procedures outlined in your owner's manual whenever camping in freezing conditions.

Comfortable  
accommodations  
for any adventure.

#### ENERGY SYSTEM

- » Standard lithium-ion batteries for further energy independence
- » Second alternator dedicated to charging the batteries
- » Up to three solar panels pump out 455 watts
- » Quiet, powerful and efficient gas generator

#### PLUMBING SYSTEM

- » 50-gallon freshwater tank with proportionate waste tanks located inside the coach
- » Convenient access to heated and insulated water service center
- » Truma AquaGo® water heater
- » Water lines inside the coach
- » Water purification system

#### HVAC SYSTEM

- » 13,500 BTU air conditioner
- » Truma VarioHeat™ comfort
- » Extended-season insulation
- » Gold Certification from Truma for cold-weather capability

## A comfortable, functional place to call home.

### 1. Cab

Conveniences include a multi-function touchscreen with rear display, Apple CarPlay®, Android Auto™ and more.

### 2. Lounge area

LED lighting and dual-pane windows brighten the lounge while conserving energy. The driver seat swivels toward the dinette, which features a pull-up/fold-down table for dining, work or games.

### 3. Galley

Everything you need to prepare your favorite meals and snacks: microwave, 2-burner LP cooktop with cover, 5.3 cu. ft. compressor-driven refrigerator/freezer, stainless-steel sink with cover, even a pantry for staples.

### 4. Swivel work table

The adjustable/removable galley extension also serves as a table or workstation for the swivel passenger seat.

### 5. Bathroom

The EKKO dry-wet bath includes a swiveling cassette-style toilet, shower with Oxygenics® showerhead, sink and a pivoting wall that turns the lavatory into a shower.

### 6. Sleeping area

The EKKO features our Flex Bed system, with twin beds that easily convert to a queen bed, as well as our WinnSleep® system for exceptional comfort. The optional pop-top provides additional sleeping space for two.

### 7. Storage

In addition to the heated gear garage, the EKKO includes multiple overhead cabinets, drawers and customizable under-bed storage in the back.

22A

Dotted lines denote overhead storage area.  
Magenta dashed lines denote access to pop top.  
Floorplans are representations only and are subject to change.  
Please contact a certified Winnebago dealer for more information.

With the efficiency of a camper van, the capacity of a Class C coach, and the enhanced capability of AWD, the Winnebago EKKO represents not just a new model, but an entirely new type of RV.

#### CAB SAFETY FEATURES

Ford safety enhancements include adaptive cruise control, lane-keeping assist, pre-collision assist with automatic emergency braking, driver alert, and more.

#### INNOVATIVE WET BATH

The dry-wet bath incorporates the German-engineered VunderWall,<sup>™</sup> which easily pivots to provide a more spacious shower while keeping the sink and toilet dry.

#### DINETTE SEATING WITH 3-POINT SEATBELTS

The forward-facing seats in the EKKO dinette feature 3-point seat belts with child-seat anchors.

Fog lamps

## Warranty⁵

12-month/15,000-limited warranty⁶  
36-month/36,000-mile limited warranty on structure⁶  
10-year limited parts-and-labor warranty on roof skin⁶

### FOOTNOTES

- The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
  - Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
  - Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
  - Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
  - See separate chassis warranty.
  - See your dealer for complete warranty information.
- NA Not Available

Because features, specifications, equipment, and options may vary from those highlighted in this brochure, the buyer is responsible for confirming with the dealer the features, specifications, equipment, and options included on their specific vehicle. In addition, Winnebago's program of continuous product improvement may result in changes to vehicle specifications, equipment, model availability, and price without notice.

Winnebago recommends following the winter use guidelines and winterization procedures outlined in your owner's manual whenever camping in freezing conditions.

What do you need to know before you go?

And how does that cassette toilet work again?

You'll find the answers to these and many more questions in the EKKO

Video Library, a collection of informative and how-to videos that explains pretty

much everything you need to know about the EKKO.

From adjusting seats, to operating major systems, to plumbing and electrical basics — it's all here. And it's all at your fingertips wherever your EKKO takes you.
