**Our vision is to be a premier company.
We're inspired by the freedom to explore
and driven by a commitment to
growing our community.**

Our story began in 1965 when P.W. Enns, who owned a plumbing and heating business in Winkler, Manitoba, Canada, took an interest in manufacturing travel trailers while visiting Elkhart, Indiana, on a volunteer trip. Arriving home with his newfound business venture, he enlisted the help of his two sons-in-law, Philipp R Ens and Peter Elias. With enthusiasm and energy Triple E was born. The three Es – Enns, Ens, and Elias – became the components of our name, Triple E Recreational Vehicles.

The company started with great modesty. What began as a family-owned operation, with a small group of employees, has today developed into one of North America's leading RV manufacturers. Over the years many different models were introduced. From travel trailers, fifth-wheels, Class A motorhomes to our current line-up of Class C motorhomes, these products represent over 55 years of hard work, and hundreds of thousands of hours of commitment and dedication from our employees.

Triple E is fortunate to be located in an area with a rich cultural heritage. Our employees are highly skilled craftspeople with strong work ethic and unwavering dedication. Our commitment to quality and listening to our customers' invaluable feedback has been the foundation of our success. We have seen many changes within the RV industry and, today, Triple E remains one of the last surviving RV manufacturers in Canada.

We look to the future with renewed energy and optimism. The company has strong leadership and an excellent workforce. Our products are recognized as some of the finest in the industry. The next generation of our company is driven by innovation while remaining committed to our long-standing history of quality craftsmanship.

Over 55 years later our vision remains committed to being a premier company. We're inspired by the freedom to explore and driven by a commitment to growing our community of employees, customers, dealers, suppliers, and our local community. May you experience the joy of companionship, surprise and adventure, as the road leads you on your journey ahead.

1965

The Beginning

Triple E was incorporated on October 17, 1965.

1972

Staff Dedication

The company contemplated shutting its doors. It was the dedication, loyalty, and work ethic of laid off staff that would characterize the Triple E community. The staff called a meeting with management and offered their labour, free of charge, to re-build the plant.

1990

25th Anniversary

The product line up included the Empress, the Empress SE, and the Regency. The Class C Regency continued to gain popularity, offering all the amenities, design and features that a Class A offered, in a more compact unit.

2002

The First Mercedes-Benz Class B

Leisure Travel Vans was the first North American manufacturer to produce a Class B Motorhome on the 21.5-foot Mercedes-Benz Sprinter 2500 Cargo Van.

2009

An Industry First

Triple E launched the Unity by Leisure Travel Vans – the industry's first Class C motorhome with a queen size Murphy bed built on a Mercedes-Benz chassis. The Unity quickly became recognized as one of Triple E's most innovative product introductions.

1967
Canada's First Motorhome Prototype
 "The Caravan" was constructed on a salvaged Ford Truck Chassis, fully equipped with toilet facilities, hot and cold running water, shower, oven, refrigerator, and wall-to-wall carpeting.

1969
Acquisition of Triple E
 Jim Pattison, of Neonex Leisure Products, acquired a controlling interest in Triple E in 1969. Triple E welcomed his business expertise and marketing skills to aid in its rapid growth.

1970
The Original Motorhome Chassis
 With no chassis' in GM's lineup suitable for a motorhome addition, P.W. Enns modified a GM truck chassis to create his vision. One year later, GM introduced an RV chassis utilizing similar engineering modifications.

1972
Fire Destroys the Entire Operation
 Fire spread through the factory, tragically claiming the life of General Manager, Henry Schellenberg of the Motorhome division.

1974
Triple E Canada Restored
 During the economic downturn and two years after fire destroyed the plant, Phil Ens, and P.W. Enns bought back the company. Triple E Canada was restored to family ownership.

1978
Leisure Travel Vans Begins
 Leisure Travel Vans was founded in 1978 by Reg and Saide Harder in Gretna, Manitoba.

1987
International Expansion
 Triple E expanded internationally targeting countries including Germany, Sweden, Holland, Norway and Japan.

1988
Launch of the Empress
 The Empress SE was launched in Canada, featuring a 45° sloped windshield for increased visibility, an abundance of storage space, and four season capabilities.

2005
40th Anniversary
 Triple E celebrated its 40th Anniversary and held a customer rally featuring the full lineup of products: Class A and C motorhomes, travel trailers and fifth wheels.

2005
The Serenity
 Leisure Travel Vans launched the widebody Freedom 2 Serenity, built on the Mercedes-Benz Sprinter 3500 cab chassis. The model featured a full fiberglass body, a separate sleeping area, and a bathroom equipped with a full corner shower, toilet, sink and vanity.

2008
Triple E Acquires Leisure Travel Vans
 The Class B van manufacturer was located in Morden, Manitoba just seven miles down the road from Triple E.

2010
Consolidation
 As a result of the economic state of the RV manufacturing industry in North America during the great recession, Triple E RV and Leisure Travel Vans were consolidated into one operation. Triple E made the decision to discontinue Class A, travel trailer and fifth wheel production and focus on the Class B and C markets.

2012
Free Spirit SS
 Leisure Travel Vans released the Free Spirit SS, a Sprinter Van chassis featuring a built-in slide-out. This innovative floorplan proved to be another very successful product innovation.

2015
50th Anniversary
 Leisure Travel Vans redesigned the exterior of its flagship Unity to a sleek European contoured fiberglass design.

2016
Wonder Launch
 Leisure Travel Vans expanded its product offering with the introduction of the Wonder Class C built on the new Ford Transit chassis.

Key Features

Premium Finishes

We design modern, inviting interiors that are warm and welcoming, with high style and quality standards. All Leisure Travel Vans are finished using only the most exceptional, premium-quality materials such as Ultraleather®, Corian®, and FENIX NTM®.

Ultraleather®

Relax into beautiful upholstery that you can trust to hold up through years of adventures and getaways. Ultraleather® is a leading synthetic leather that resists staining, cracking, and general wear.

Premium Cabinetry Finishes

Our premium cabinetry finishes lend a uniquely European design sensibility to your living space. Modern yet timeless, your cabinets will look great for years to come.

2000 W Inverter

The 2000 W Pure Sine Wave Inverter provides plenty of capacity for running your 120 V devices, as well as an inverted microwave plug. (Inverted microwave plug requires optional Lithium batteries)

Table Mount System

Unity RL, Wonder RL, RTB Our innovative swiveling table mount system is strategically placed in multiple locations, allowing you to easily reconfigure your spaces to suit your needs.

Corian®

Corian® solid surface countertops bring a touch of luxury to life on the open road and are easy to clean and resistant to staining.

Optional FENIX NTM®

The perfect combination of easy to care for and esthetically appealing, the FENIX NTM® matte surfaces used throughout our interiors are scratch-resistant, anti-fingerprint, and anti-bacterial.

LED Lighting Including Accent Lighting

Interior and exterior LED lighting provides pure, bright light with long-lasting bulb life. In addition, integrated ceiling and floor accent lighting add mood and elegance.

Murphy Bed Configurations

Unity MB, FX, RL, Wonder RL From our very first models to today's modern floorplans, innovative use of the Murphy bed has set our RVs apart. Whichever floorplan you choose, you'll find flexible living spaces and a surprising amount of space in a small footprint.

Curved Cabinetry

Designed to flow with the lines of your Leisure Travel Van and make clever use of space, our signature curved cabinetry is found in all models and is available in multiple finishes.

Optional Lithium Batteries

Embrace an extra level of carefree with optional lithium batteries. With more usable capacity, maintenance-free operation, and a longer lifespan, you'll spend less time thinking about your battery levels and more time exploring.

Truma AquaGo Comfort Plus Water Heater

Enjoy the comfort and luxury of instant hot water from every tap, thanks to the Truma AquaGo Comfort Plus water heating system, standard on all Leisure Travel Vans models.

Day-Night Roller Shades

Regulate interior temperatures and ensure daytime privacy without compromising the view with Day Shades. Sleep well with Night Shades in a blackout fabric that blocks 100% of the light at night.

Vacuum-Bonded Construction

Quality will always come first, and we build products that are meant to last. The walls and floors of every Leisure Travel Van are vacuum-bonded and insulated, providing a solid foundation you can count on.

Dry Baths in All Models

Life on the road intersects with the comforts you're used to at home, thanks to our commitment to a better RV bathroom. Enjoy a spacious, separate shower and modern toilet and vanity in every Leisure Travel Vans model.

Optional Inflatable Bed System

Unity TB, RL, Wonder RL, RTB
Accommodate overnight guests with the optional innovative bed system. In select models, your dinette, which comfortably seats four around a removable table, makes clever use of the front swivel chairs to conveniently convert into a bed.

Pull-Out Pantry

Excluding Wonder FTB
The pull-out pantry system found in most Leisure Travel Vans models allows for convenient storage of spices, cooking supplies, groceries, and much more.

Ducted AC

Unity
Keep your cool wherever you may roam in your Unity – the 15,000 BTU roof-ducted air conditioning system provides an even flow of cool air throughout the coach.

Auto Generator Start

Easily regulate indoor temperatures by setting the generator to turn on automatically according to your set preferences. You can also have the generator auto-start when your battery is low or based on a timer.

Stainless Steel Galley Sink

When cooking or washing up, you'll love the large 16-inch-diameter galley sink, complimented by a stylish high-arc faucet. It's another way we bring the comforts of home to RV life.

Optional Integrated Exterior Table

Enjoy more time spent in the great outdoors with an optional integrated exterior table that makes cooking and eating outside even more convenient. When not in use, the table conveniently folds up to fit inside your exterior storage compartment.

Leisure Lounge Systems

Unity MB, FX
Flexibility and comfort come standard with the patented Leisure Lounge Systems, allowing for custom lounge configurations for dining, working, or relaxing as you move through your day. At night, the large Murphy bed and customizable headrest take comfort to another level. Upgrade to the Leisure Lounge Plus for dual oversized Ultraleather® swivel power recliners (Unity MB only).

An Abundance of Interior and Exterior Storage

We've strategically optimized every inch of all Leisure Travel Vans floorplans to offer you the most possible interior and exterior storage. Intelligent, accessible storage means you can bring your travel essentials – and maybe a few extra comforts – on your next adventure.

Stunning Design

From contoured walls to frameless windows, everything about the European-inspired exterior design of a Leisure Travel Van is clean, stylish, and aerodynamic.

The next-generation Murphy Bed.

The next-generation Murphy Bed Lounge offers a completely reimagined layout based on LTV's flagship Unity Murphy Bed model. Soon to be available on both the Unity and Wonder product lines, the Murphy Bed Lounge features an all-new patented Leisure Lounge system, a redesigned modern interior, and a host of new premium components.

- ◆ Ford or Mercedes. Gas or diesel. With the Murphy Bed Lounge coming to both the Unity and Wonder product lines, you can now choose your preferred chassis.
- ◆ The redesigned, patented Leisure Lounge system offers upgraded dual reclining chairs, an updated dinette table system, and a large, panoramic window, drawing in an abundance of natural light in both day and night modes.
- ◆ The Murphy bed features a comfortable, nearly king-sized (65-inch × 74-inch) sleeping area.
- ◆ The updated living area features a relocated entrance door, offering unobstructed views of the campsite from the large picture window directly across the Leisure Lounge.
- ◆ The spacious lavatory includes a large 34-inch × 34-inch corner shower with curved glass door, vanity featuring Corian® inset with integrated storage, LED accent lighting, and skylight.
- ◆ Interior finishes include luxurious and durable Ultraleather® upholstery and Corian® countertops.

Unity Murphy Bed shown with White Oak cabinetry, Bianco White cabinetry upgrade, Antarctica countertops, and Clay upholstery.

Unity Murphy Bed | U24MB

Unparalleled style and comfort.

Sleep soundly on a luxurious, nearly king-sized Murphy bed. Come morning, enjoy a complete living space featuring the patented and innovative Leisure Lounge System or optional Leisure Lounge Plus, a pop-up 40-inch Smart LED TV, elegant curved European cabinetry throughout, and a washroom to make any Class A envious. Any way you look at it, the Unity Murphy Bed is one big “little” motorhome.

- ◆ The Murphy bed features a comfortable, nearly king-sized (68-inch x 76-inch) sleeping area.
- ◆ Interior finishes include luxurious and durable Ultraleather® upholstery and Corian® countertops.

- ◆ The spacious lavatory includes a large 34-inch x 34-inch corner shower with curved glass door, Corian® inset with integrated storage, LED accent lighting, and skylight.
- ◆ An optional Overhead Cabinet Door Upgrade is available in Bianco White FENIX NTM®.

- ◆ The standard innovative patented Leisure Lounge System features multiple configurations for dining, relaxing, and sleeping.
- ◆ The optional Leisure Lounge Plus upgrades the slide-out to dual oversized Ultraleather® swivel power recliners.

Unity FX shown with Rift Oak cabinetry, Antarctica countertops, and Dove upholstery.

Unity FX | U24FX

Eat. Sleep. Drive. Explore.

The Unity FX puts the power in your hands, with innovative ways to cleverly customize your dual living spaces throughout the day. The innovative Leisure Lounge System offers multiple configurations for dining, relaxing, and sleeping. A second rear lounge with a residential-style sectional sofa provides even more living, working, and entertainment space, even while the luxurious Murphy bed is used. Wherever and however you explore, the Unity FX will fill every moment with comfort.

- ◆ The innovative Leisure Lounge System offers multiple configurations for dining, relaxing, and sleeping.
- ◆ The Murphy bed features a comfortable, nearly king-sized (68-inch × 76-inch) sleeping area and additional storage compartments.

- ◆ In the rear lounge, a residential-style sectional sofa includes an integrated ottoman that serves as the perfect footrest, coffee table, or even a flip-up work desk.
- ◆ An optional Overhead Cabinet Door Upgrade is available in Bianco White FENIX NTM®.

- ◆ Interior finishes include luxurious and durable Ultraleather® upholstery and Corian® countertops.
- ◆ In the dry bath, a clever two-stop door provides more floor space where you need it.

Unity Corner Bed shown with Mocha cabinetry, Concrete countertops, and Sand upholstery.

Unity Corner Bed | U24CB

Miles from ordinary.

The Unity Corner Bed offers all of the comforts and features you would expect to find in a much larger coach in just over 25 feet. The booth dinette or optional U-Lounge provides the perfect seating area for dining and entertaining, converting to a bed for overnight guests. The spacious galley features high-end finishes and a pull-out pantry, and in the rear, a comfortable full-time bed welcomes you to rest. No matter where you travel, you'll feel at home with the Unity Corner Bed.

- ◆ Up to four seat belts allow you to safely accommodate friends or grandkids on your travels.
- ◆ The full-time rear corner bed features a comfortable, nearly queen-sized (52-inch × 76-inch) mattress.

- ◆ The stylish and comfortable front dinette area easily converts into a second bed.
- ◆ Enjoy flexible entertainment via TVs in both the front living area and rear bedroom area.

- ◆ An optional Overhead Cabinet Door Upgrade is available in Bianco White FENIX NTM®.
- ◆ Interior finishes include luxurious and durable Ultraleather® upholstery and Corian® countertops.

Unity Rear Lounge shown with White Oak cabinetry, Bianco White cabinetry upgrade, Concrete countertops, and Sand upholstery.

Unity Rear Lounge | U24RL

Where luxury and nature meet.

Built on the impressive Sprinter Cab Chassis, the Unity Rear Lounge features an innovative layout with two unique multi-purpose living spaces, creating a coach that easily adapts to your lifestyle and needs. Adjacent to the generous galley, find a removable front dinette that comfortably seats four and easily converts to a second bed (optional) for overnight guests. At the rear, a residential-style sectional sofa with two built-in lounge chairs and near floor-to-ceiling windows transforms into a luxurious master bedroom, thanks to a modern Murphy bed system.

- ◆ The spacious rear living area is equipped with a 32-inch TV and sound bar, and a sectional sofa with two power recliner seats.
- ◆ Near floor-to-ceiling windows provide an abundance of natural light and immersive views during the day, and a range of accent lighting creates ambiance after dark.

- ◆ A 58-inch × 74-inch Murphy bed transforms the rear into a luxurious master bedroom.
- ◆ A centralized touchscreen display or mobile app can be used to control lighting, heating and cooling, tank and battery level monitoring, and more.

- ◆ Cooking enthusiasts will enjoy the generous galley with a large countertop, flip-down extension, and premium appliances like the Dometic 10 Series fridge.
- ◆ The front dinette comfortably seats four around a removable table and conveniently converts into an optional bed system.

Unity Twin Bed shown with Rift Oak cabinetry, Bianco White cabinetry upgrade, Antarctica countertops, and Clay upholstery.

Unity Twin Bed | U24TB

Creatures of comfort.

The Unity Twin Bed is ready for whatever the day brings, from morning to night or even an indulgent afternoon nap. With the choice of a full-sized or twin beds, a great night's sleep or a comfortable place to relax is ready when you are. At the front of the coach, find a comfortable living area with a removable dinette table and spacious galley. Completed with a three-piece dry bath and extensive storage throughout, the Unity Twin Bed makes an ideal touring coach for those extended journeys.

- ◆ The standard Leisure Lounge Express converts from a dining area with two seats to a cozy chaise lounge with ease.
- ◆ An optional Overhead Cabinet Door Upgrade is available in Bianco White FENIX NTM®.

- ◆ The optional 45-inch × 88-inch inflatable bed can be used to convert the front dinette into an additional sleeping area.
- ◆ The galley features a deep stainless steel sink, two-burner cooktop, and two-door, 6.7 cubic feet, three-way fridge/freezer.

- ◆ A convenient rear pass-through storage compartment and outstanding 54 cubic feet of exterior storage makes packing easy.
- ◆ A centralized touchscreen display or mobile app can be used to control lighting, heating and cooling, tank and battery level monitoring, and more.

- ◆ Interior finishes include luxurious and durable Ultraleather® upholstery and Corian® countertops.

- ◆ The updated living area features a relocated entrance door, offering unobstructed views of the campsite from the large picture window directly across the Leisure Lounge.
- ◆ The spacious lavatory includes a large 34-inch × 34-inch corner shower with curved glass door, vanity featuring Corian® inset with integrated storage, LED accent lighting, and skylight.

Wonder Rear Lounge shown with White Oak cabinetry, Bianco White cabinetry upgrade, Antarctica countertops, and Sand upholstery.

Wonder Rear Lounge | W24RL

Where luxury and nature meet.

Built on the impressive Ford Transit Chassis, the Wonder Rear Lounge features an innovative layout with two unique multi-purpose living spaces, creating a coach that easily adapts to your lifestyle and needs. Adjacent to the generous galley, find a removable front dinette that comfortably seats four and easily converts to a second bed (optional) for overnight guests. At the rear, a residential-style sectional sofa with two built-in lounge chairs and near floor-to-ceiling windows transforms into a luxurious master bedroom, thanks to a modern Murphy bed system.

- ◆ The spacious rear lounge area is equipped with a 32-inch TV with sound bar, and sectional sofa with two power recliner seats.
- ◆ Three oversized, expansive rear windows offer an abundance of natural light and immersive views of the outdoors.

- ◆ A 58-inch × 74-inch Murphy bed transforms the rear into a luxurious master bedroom.
- ◆ The large galley makes cooking on the road a joy, thanks to a generous Corian® countertop with flip-down extension, deep stainless steel sink, and premium appliances.

- ◆ The front dinette comfortably seats four around a removable table and conveniently converts into an optional bed system.
- ◆ A centralized touchscreen display or mobile app can be used to control lighting, heating and cooling, tank and battery level monitoring, and more.

Wonder Rear Twin Bed shown with White Oak cabinetry, Antarctica countertops, and Clay upholstery.

Wonder Rear Twin Bed | W24RTB

Designed for adventure.

The Wonder Rear Twin Bed completely reimagines what's possible in a sub-25-foot floorplan, offering a separate bedroom at the rear with convertible twin beds that can be joined to create one large bed. A full-size three-piece lavatory with an enclosed shower and one of the largest galleys in the Leisure Travel Vans lineup further enhances comfort and livability. Finally, the Wonder Rear Twin Bed takes exploring to another level with an exterior pass-through garage.

- ◆ The convenient pass-through, garage-style exterior storage is large enough to fit two full-sized bicycles and much more, so you can bring everything you need to explore with ease.
- ◆ The convertible 32-inch × 74-inch twin beds can be moved together to form a large bed that is wider than a residential queen-sized bed.

- ◆ Ingenious deep, hanging wardrobes are conveniently located beneath each twin bed.
- ◆ An optional integrated side-mount exterior table makes dining and entertaining outdoors even more convenient, and easily folds for neat storage in the garage when not in use.

- ◆ A centralized touchscreen display or mobile app can be used to control lighting, heating and cooling, tank and battery level monitoring, and more.
- ◆ The large galley features smart features like a flip-down Corian® countertop extension and expandable dinette, making both cooking and dining a dream.

Wonder Front Twin Bed shown with Mocha cabinetry, Bianco White cabinetry upgrade, Concrete countertops, and Dove upholstery.

Wonder Front Twin Bed | W24FTB
Room to explore.

The expansive layout of the Wonder Front Twin Bed brings a new level of comfort to the RV lifestyle. Step inside and be greeted by a wide-open space that stretches nearly the length of the coach. Flowing seamlessly into the large galley, the multi-use front area serves as lounging, entertainment, and dining space by day and converts to twin beds or one large bed by night. The floorplan is completed by a large lavatory at the rear and ample interior and exterior storage throughout, all finished with the utmost attention to style and quality.

- ◆ The convertible 32-inch × 76-inch twin beds can be slid together to form a large bed that is wider than a residential queen-sized bed.
- ◆ A 30-inch × 32-inch enclosed shower and stylish medicine cabinet are included in the spacious lavatory.
- ◆ The ergonomic galley includes a two-door, 6.7-cubic-foot fridge/freezer and convection microwave alongside an exceptionally large Corian® Solid Surface countertop.
- ◆ A well-appointed entertainment unit features a swing-out 27-inch LED TV, Bluetooth sound bar, and smart Blu-ray player.
- ◆ An impressive 48 cubic feet of exterior storage, including a large rear storage compartment, makes organization and packing simple.
- ◆ A centralized touchscreen display or mobile app can be used to control lighting, heating and cooling, tank and battery level monitoring, and more.

MyLTV

MyLTV is the online home for Leisure Travel Vans owners. Within your personalized MyLTV dashboard you can learn more about your RV, join a Travelers Club, connect with other owners, earn rewards, view upcoming events and more.

leisurevans.com/myltv

Product Resources

MyLTV's Product Resources pages are where you go to learn all about your Leisure Travel Van. View your owner's manual or watch technical walkthrough videos showing you how to operate many features of your LTV.

Component Resource Library

View a list of many of the components found in your LTV, along with their respective serial numbers, manuals and warranty information.

Storage Dimensions

Find the storage dimensions of each cabinet within your LTV. This can be particularly useful if you have an LTV on order and would like to begin shopping for RV gear and accessories.

Help Center

Easily find answers to frequently asked questions in our ever-expanding Help Center. From how to get your Wi-Fi working to de-winterizing your LTV, our Help Center will get you back to enjoying your LTV. Access the Help Center at ltv.travel/help.

Owners' Resources

Travelers Club

One of the many benefits of owning an LTV is the ability to join a Leisure Travelers Club in your area. Each regional club has a Club Leader that coordinates events and activities for their group. Learn more about the Leisure Travelers Club and how you can start connecting with other LTV owners today!
