TELL BETTER STORIES.®

# Meet our 2024 Lineup!

## HERE'S WHY YOU'LL LOVE OUR MODE

- ✔ **Take the whole crew with you:** enough seatbelts for you + three passengers.
- ✔ **Stay comfortable all day long:** Enjoy up to 12 hours of air conditioning with the mighty M-Power System. This system also powers 21 other ports and outlets so you can cook breakfast, work remotely, or charge whatever you need.
- ✔ **Modular furniture to fit your lifestyle:** The GrooveLounge™ convertible sleeper sofa can be a twin bed, a couch, seating for four, a place to strap in your baby's car seat, and so much more.
- ✔ **Yes, this 20-ft van has a bathroom** – you just can't see it. Our HALO™ shower system folds up into a cabinet, and the portable cassette toilet is stowed in the FlexSpace under the GrooveLounge.
- ✔ **Sleep sideways = more living space.** The Dreamweaver™ bed also folds up into the wall, so you can stand tall in your garage space when you're not using it.
- ✔ **Let the breeze in and keep the bugs out** with our exclusive Storyteller bug screens.

We deliver  
life-changing  
experiences.

“

*When we bought the van, we thought, cool, we're getting a van.  
We didn't realize the community that was coming with it.*
