QUALITY

Winnebago RVs are designed and built around you, with superior craftsmanship, advanced manufacturing technologies and steel-focused construction to enhance safety and reliability.

INNOVATION

From groundbreaking RVs to game-changing features to the spacious floorplans made possible by our SmartSpace™ design, our heritage is unrivaled for continuous industry firsts in vehicle technology and design.

SERVICE

Our carefully chosen dealers are supported by factory training and our advanced parts supply system, while owners benefit from excellent real-world customer support as well as 24/7 access to online technical information.

BELONGING

Winnebago owners are a connected community – some of the friendliest, most knowledgeable and welcoming RVers you'll find anywhere.

From its rock-solid foundation to the latest innovations, the View & Navion have never looked better.

Mercedes-Benz Sprinter Chassis

The proven Sprinter chassis incorporates the latest Mercedes-Benz® safety features and, with its fuel-efficient turbo-diesel V6, provides plenty of towing power.

Upscale interior

With premium components and contemporary design cues, you'll be proud to call your View® and Navion® home everywhere you go.

Extended escapes

Stay out longer, thanks to the standard 200-watt solar panels, available dual lithium-ion batteries and 2kW inverter, and some of the largest holding tanks in its class.

SuperShell™ Sleeper Deck

The stylish lightweight fiberglass outer shell provides enhanced thermal and acoustic insulation, keeping things quieter and more comfortable, in camp and on the road.

Exterior storage

No toy left behind: the View & Navion offer up to 43 cubic feet of exterior storage, including cross-coach storage (24D, 24J) for larger items.

Thoughtfully designed spaces, highlighted with deluxe amenities.

Gourmet-worthy galley

The enhanced galley features larger cabinets and drawers, more usable counter space, large 10 cu. ft. DC refrigerator/freezer, and hybrid LP/induction cooktop.

Dining options to suit your taste

Dine and relax in comfort: the three flooplans let you choose the seating and table options that work best for your style.

Deluxe seating options

Available theater seating with hideaway swivel tables (24D, 24J) or dual recliners with table (24V), make an ideal spot to catch a movie or the big game.

Attractive, functional storage solutions

Lightweight and durable, the curved Tecnoform® cabinets blend perfectly with the stylish interior, while thoughtful touches like the lighted soft-close drawers abound.

Flexible sleep solutions

In addition to a cabover bunk, each floorplan offers a different bed configuration: Murphy+ bed (24D), rear corner bed (24J) or Flex bed twin/queen system (24V).

Deluxe bath

The well-equipped bath includes a separate shower with Oxygenics® showerhead, stainless steel sink, lavatory and medicine cabinets, and gentle toe-kick lighting.

Dotted lines denote overhead storage area. Blue dashed lines denote sleeping areas. Floorplans are representations only and are subject to change. Please contact a certified Winnebago dealer for more information.

Developed in Europe, the FROLI® Sleep System relieves pressure and improves air circulation under the mattress for a better night's sleep.

Entertainment Package

The available entertainment system upgrade includes a Blu-Ray Disc® player and Bluetooth® soundbar for a more immersive experience.

Enhanced entryway door

It all starts here: the sleek entrance includes a streamlined screen door with a large window and built-in storage. And the double latching system reduces road and camp noise.

QUALITY

Winnebago RVs are designed and built around you, with superior craftsmanship, advanced manufacturing technologies and steel-focused construction to enhance safety and reliability.

INNOVATION

From groundbreaking RVs to game-changing features to the spacious floorplans made possible by our SmartSpace™ design, our heritage is unrivaled for continuous industry firsts in vehicle technology and design.

SERVICE

Our carefully chosen dealers are supported by factory training and our advanced parts supply system, while owners benefit from excellent real-world customer support as well as 24/7 access to online technical information.

BELONGING

Winnebago owners are a connected community – some of the friendliest, most knowledgeable and welcoming RVers you'll find anywhere.

Lithium Power - The New Standard

The View and Navion include a standard lithium power system with a 2nd alternator dedicated to fast charging of the coach battery and the option to upgrade to a larger, generator free, power system.

Enhanced Tech & Safety Features

To enhance safety, the Sprinter chassis incorporates advanced Mercedes-Benz® technologies, such as a digital rearview mirror for a continuous view of the rear, Blind Spot Monitoring, Active Lane Keeping Assist, DISTRONIC PLUS® adaptive cruise control, and more.

Impressive Gear Garage

Bring all you want with upgraded storage and gear-hauling capacity. Equipped with an L-track cargo tie-down system, it spans the width of the vehicle and is big enough to store 2 full-size bikes with room to spare. This heated and easy-to-clean space also features power outlets and LED lighting.

Chassis Upgrade Anyone?

Opt for the Mercedes-Benz® all-wheel-drive Sprinter chassis and enjoy higher ground clearance to better handle adverse weather conditions and more rugged terrain.

Upgraded Adventures.

The Luxury of Space

Discover a modern, open space with innovative amenities like the power-reclining theater seating/Murphy+ bed combo (usable with the slide in or out) and redesigned passenger side dining area (24T), or cross-aisle bath and convertible private bedroom (24R).

Storage Galore

In addition to the well-appointed storage cabinets in the lounge, galley and sleeping areas, the new View and Navion feature innovative storage solutions like a cross-coach residential-sized wardrobe and pullout pantry on the 24T, and convenient under bed storage in the 24R. Both floorplans also feature a full-width, heated and lighted gear garage that can hold up to 2 bikes with room to spare.

Upscale Details

Experience upscale living with a premium WinnSleep® mattress system, power-reclining seats (24T), entertainment system, and a modern galley with eye-catching cabinet details, lighted soft-close drawers and an innovative LP/induction cooktop.

Bathroom Amenities

The 24T's rear bathroom features a sliding door, generously-sized shower with built-in seat, and an overhead skylight, as well as a full-sized wardrobe, while the 24R features a spacious cross-aisle bath.

Intelligent + Intuitive

Unlike other "smart" RV platforms that simply transplant controls to your mobile device, Winnebago Connect's unrivaled technology actively monitors and intuitively controls your RV systems and features according to your preferences - silently, efficiently and automatically.

On-the-Go Upgrades

Remote diagnostics can help speed service, while over-the-air software upgrades automatically enhance your RV systems as updates become available – without heading to the dealer. And that's just the beginning.

Pet Minder

Winnebago Connect keeps a close eye on all vehicle systems, so you can stay focused on the adventure. It even helps you stay aware of your four-legged friend's climate when they're alone in the RV and notify you as needed.

At Your Service Anywhere

Forget something? No worries- now you can control your lights, cabin locks and other systems from anywhere.

One of the best parts of owning a Winnebago product is the community of owners. Explore upcoming ownerorganized events and join GoLife Community groups to connect with Winnebago owners. Then you never have to go alone.

LEARN MORE

The GoLife Perks program helps you maximize your RVing experience through access to special offers and discounts that make the RV lifestyle more affordable. With offers on tires, campsites, gear and more, members can save hundreds of dollars per year, allowing you to go more for less.

LEARN MORE

Get the inside scoop from fellow adventurers. Hear from Winnebago owners on topics like winter camping and how to RV with kids, recommendations on destinations, routes and gear, and how-to guides like choosing tires, you're sure to find stories that will help you imagine how you'll go.

LEARN MORE

The Winnebago App

Adding to the perks of ownership, our app gives you easy access to how-to guides and videos, owner manuals and finding service, even if you're offline. We're here for you wherever you go.

LEARN MORE

What do you need to know before you go?

And how do I level the jacks again?

You'll find the answers to these and many more questions in the View and Navion Video Library, a collection of informative and how-to videos that explains pretty much everything you need to know about the View & Navion.

From adjusting seats and flooring care and cleaning, to operating major systems, to plumbing and electrical basics — it's all here in the View & Navion Video Library.
