

Heritage

by Midwest Automotive Designs

The Heritage redefines luxury travel with Midwest's signature craftsmanship and European-inspired design. Combining radius cabinetry, roll-up screen doors, and premium details, the Heritage offers an elevated travel experience that's both stylish and comfortable.

Interior Highlights

Genesis Radius Cabinetry: Durable, stylish cabinetry with ambient lighting for a warm atmosphere.

M-Series Seating: Luxurious seating inspired by high-end automakers.

Streamlined Design: Sleek sidewalls with recessed blackout shades and valence-free views.

Convenient Roll-Up Screens: Magnetic screen doors on sliding and rear doors for easy, bug-free ventilation.

Standard Interior Features

- Complete kitchen and bath with tankless water heater, induction cooktop, and climate-controlled fan
- Quiet Tech generator, swivel seats, touchscreen controls, USB/120V outlets, and power-folding rear sofa
- Alpine sound system, HDTV, and a comprehensive privacy shade package

Standard Exterior Features

- Solar roof charging, LED-lit awning, tinted windows, upgraded Sumo suspension, and rear hitch
- Utility bay with exterior shower, fresh water fill, and macerator pump
- Backup camera, shore power, and dual battery system

Chassis

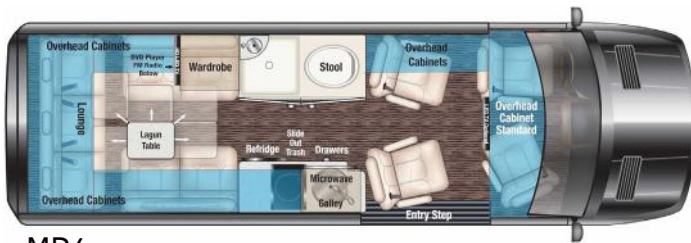

Built on the Mercedes-Benz Sprinter 2.0L diesel engine, ensuring reliability and power.

Midwest DNA

Heritage includes shared features from the Patriot and Passage models: MD4, MD2, and FD2 floor plans, exterior painted cladding, and quality appliances like the Gree AC unit.

FD2

MD4

MD2
