

# THE NEW TRAVATO

Redesigned for adventure seekers, the Winnebago® Travato® lets you roam freely without leaving home behind. Its sleek new style and improved heating and power ensure a comfortable journey, no matter where the road leads.

## Gather Together

Gather with friends under the new, durable Bluetooth®-enabled patio awning with mood lighting for evenings. Inside, enjoy versatile lounge spaces with a 360° swivel table, perfect for dining, games, or conversation.

## Extend Your Experience

The new gas-powered Truma Combi® G Comfort Plus delivers warm air and hot water from one appliance. For extended season camping, count on dedicated insulation, heated tanks and thermal window covers to block out the light and maintain an ideal interior climate.\*

## SmartPlug Shore Power

The new SmartPlug® Shore Power Connection offers easy plug-in, greater electrical contact, and maximum power transfer. Its multi-point lock, watertight seal, and LED indicator ensure a safer, more efficient setup.

## Sleep Tight

The innovative WinnSleep® system combines a superior two-layer high density hygienic foam mattress with a European suspension system to increase comfort, relieve pressure and improve air circulation.

## Style Upgrade

Refreshed from the inside out, the new Travato offers sleek new exterior options and modern interiors that offer stylish, comfortable spaces with premium finishes.

## Compact Yet Versatile

Enjoy the comfort of your personal sanctuary on the road. The versatile Travato features a flexible galley, full wet bath, and living areas that adapt to your needs.
