

EKKO

This versatile compact Class C can take you deep into the backcountry with trail-tested performance and premium comfort.

Adventure runs deep with the EKKO™ Transit, combining camper van efficiency with Class C space, AWD handling, off-grid power, and innovative design. It's the perfect blend of capability and comfort for those chasing the road less traveled.

Core EKKO Transit 22A Features

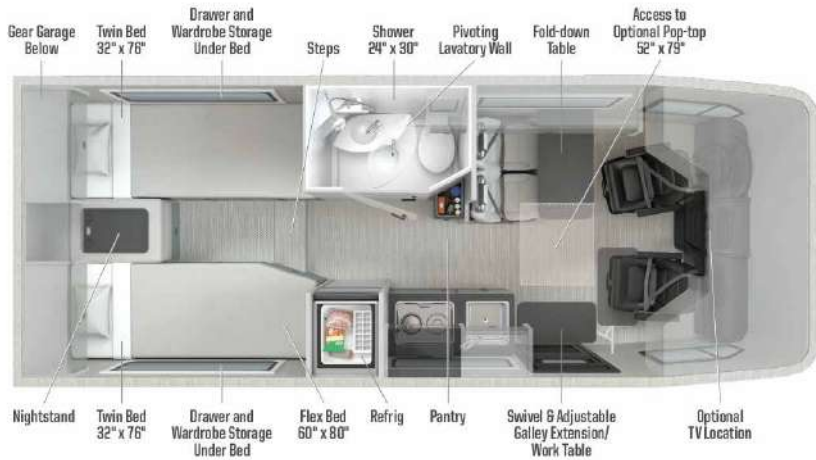

- **New Nordic Desert & Arctic Crest full-body paint options** bring a bold look to every adventure.
- **Refreshed interior countertop finish** adds contemporary appeal with durable, easy-to-clean surfaces.
- **Ford® Transit AWD chassis with 3.5L EcoBoost® V6** delivers reliable power and all-weather handling.
- **Compact 23' length** provides easy maneuverability, improving access to national parks, campsites, and tighter trails.
- **Large heated pass-through gear garage** with MOLLE panels, tie-downs, and capacity for bikes, skis, and other outdoor equipment.
- **All-weather capability** with extensive insulation, dual-pane windows, and enclosed tanks for multi-season camping.
- **Flexible living space** includes a flex bed sleep system, multifunctional dinette, and full galley with microwave.
- **All-in-one dry/wet bath** with pivoting wall design maximizes space and doubles as a gear rinse/drying area.
- **Standard solar with lithium battery and generator options** provide off-grid freedom, expandable to meet serious boondocking needs.
