This Label is not required by law, however, Renegade RV and the Dealer feel you have a right to be informed of fair pricing levels to ensure the value ratio of other recreational vehicles being considered. NOTE: Exterior height of vehicle is measured to the highest standard feature on the roof and will vary due to chassis variance, option selection, fluids and other loading factors. NOTE: Capacities are estimates based on calculations and represent approximate numbers. Capacities may vary based on fabrication and installation of tanks and compartments. Please see sales for further details and information.
